## Did You Know?

### HopeSource Has a Youth Recreation Scholarship Program!

Busy, active kids are happy kids. But sometimes the fees for after-school activities can really add up. HopeSource can help! Scholarships are available for a range of activities in both upper county and lower county: flag football, gymnastics, ballet, art classes, swimming lessons and basketball. One family used a scholarship to buy wrestling gear. The opportunities are as varied as your children's interests. For more information and an application (which includes income qualifications) call (509) 925-1448 and ask for Vickie.

Inspiring Words of Hope & Encouragement

## Spring Has Arrived!

Welcoming spring means welcoming rain and sunshine. But luckily, this is the perfect weather to grow your own flowers and vegetables! Almost every store in town has seeds on display, as well as soil and fertilizer if needed. This photo helps explain the process of growing your own produce - it can be simple! Broccoli, beans, carrots, cauliflower, asparagus, kale and beets are the best things to plant in April! Let's get gardening!

Did you know: You can buy vegetable seeds with your EBT card!
