Who We Are

At HopeSource, our Mission is to move people to self-sufficiency by providing access to education, employment, economic development and vital services. Hope University offers classes and referrals for people who want to change the direction of their lives but lack the resources to do so.

Did You Know?

HopeSource Has a Youth Recreation Scholarship Program!

Busy, active kids are happy kids. But sometimes the fees for after-school activities can really add up. HopeSource can help! Our Youth Recreation Scholarships can pay 75% of the cost of an activity, up to \$75. Scholarships are available for a range of activities: flag football, gymnastics, ballet, art classes, swimming lessons and basketball. One family used a scholarship to buy wrestling gear. The opportunities are as varied as your children's interests. For more information and an application (which includes income qualifications) call (509) 925-1448 and ask for Vickie.
